

Cookie Policy

Please read our cookie policy carefully before using the Sentiro website. We use cookies to distinguish you from other website users and provide you with a personalized browsing experience. Cookies also help us improve the website and the services we provide. By continuing to use the Sentiro website, you agree to our use of cookies.

1. What are cookies?

Cookies are small text files that are placed on your computer, mobile, or other device when you visit a website. We use cookies and similar technologies to deliver, measure, and improve our services. Cookies are not used to collect personal information.

To learn more about cookies, please visit [this website](#).

2. Use of cookies

We use several types of cookies on our website, including: essential cookies, statistical cookies, and advertising cookies.

Each type of cookie performs its own function.

Essential cookies: These cookies enable the Sentiro website to function and use its basic features.

Statistical cookies: These cookies collect information about your online activity, including behavioral data and content interaction metrics. The data is collected anonymously and in aggregate form. These cookies are used for analytics, research, and statistical calculations (based on aggregated information). They also allow us to recognize and count the number of visitors to our website, see how visitors navigate the website while using it, and record which content is most interesting to visitors.

Advertising cookies: These are files used by third-party companies to display ads tailored to your interests. They also help limit the number of times you see an ad and analyze the effectiveness of advertising campaigns. They remember how you navigate the website from your device and help understand your shopping behavior, allowing us to improve the website by displaying ads and offers that may be of interest to you.

3. Managing cookies

You can block cookies by activating your browser settings that allow you to refuse all or some cookies. However, if you use your browser settings to block all cookies (including essential cookies), access to the website or certain pages may be limited or not display correctly.

4. Changes to the cookie policy

Sentiro reserves the right to change its Cookie Policy at any time and for any reason. By agreeing to the Sentiro website's privacy policy, you agree to receive personalized notifications about changes to the Cookie Policy.

We recommend that you review this Cookie Policy periodically to stay informed of any changes. By continuing to use the website after the revised Cookie Policy is published, you agree to the changes.

5. How to contact

For more information about our cookie policy, please contact us at support@sentiro.pro.
